

Australian Australian Air League

NSW Group

Albion Park Girls Squadron

is now enrolling.

Since 1934 the Australian Air League has been teaching young boys and girls nationwide all about aviation, while helping them develop important life skills like leadership, discipline, self confidence and teamwork. When you join the league you will make new friends and take part in fun and exciting activities, on the ground and in the air.

Each week you will attend your local squadron where you will learn valuable skills and take part in fun and interesting activities and classes. Some of our classes include Meteorology, Navigation, Photography and Community Service. Squadrons also attend training camps, sport and recreational days, flying experiences and ceremonial drill.

We welcome girls from the age of 8 years old from all different cultures and backgrounds. Parents and families are welcome to support or even join their local squadron as a volunteer. All adult members and volunteers are Working with Children Checked.

The Australian Air League is running both a fun and educational programme that is making fine citizens out or our young Australians.
